Oxford Road Community School Newsletter

Dear Parents/Carers,

Well much has been happening, even in the first few weeks. The children have settled well into their new classes and it is wonderful to see their positive learning attitudes and enthusiasm for learning. Just a reminder to parents that we have breakfast club at school that runs from 7.45am as well as an After School Club from 3pm - 6pm. If you would like your child to attend either of these please speak to Mrs Tulloch in the office.

Cluster Football Event

This week, Year 6 took part in a cluster schools football event. Wilson Primary, Coley Primary and Palmer Academy all participated in the event that involved skills development activities as well as short, competitive games.

The day was a really successful and the children were not only a credit to the school but also had a fantastic time.

The real excitement of the day came when the Year 6 team got through to the semi-finals and through determination and excellent team work, won the tournament!!

The children were extremely proud of their success, as you can see below!

Well
Done
Year 6!

McMillan Coffee Morning

We will be holding a Macmillan Coffee Morning next Friday 7th October in the Global Café from 8.45am. If you are able to bake and contribute a cake for the event that would be much appreciated.

As well as helping with the medical needs of people affected by cancer, Macmillan also looks at the social, emotional and practical impact cancer can have, and campaigns for better cancer care.

Please come along and support this event. All contributions made will go towards supporting this important and valuable organisation.

See you there!

Roald Dahl Day

We had lots of fun on Roald Dahl day, particularly dressing up as our favourite character. We had Matilda's, BFG's, Willy Wonka's as well as Witches and Peaches!

The children spent the day immersed in Roald Dahl with activities linked to his stories and ideas. Many thanks to all the parents support in creating some imaginative and colourful outfits. Great fun.

Reminder

Can I please ask parents not to send their children to school before 8.30am. There are a number of children arriving from 8.00am which is too early and there is no supervision by the school at that time. Can I also ask parents not to allow their children are on the playground equipment before school starts. Again, there is no supervision at that time and we do not want any accidents to occur. Thank you in advance for your support.
